

Marilyn Chidlow Club Volunteer Award

This award was developed in order to recognize the efforts of our grassroots volunteers who work diligently to ensure that club skating programs and our skating family members are successful. These unsung heroes are so deserving of recognition but often are the first to brush off any such accolades.

In support of the Skate Canada clubs in our Section who would like to recognize these wonderful people, a new award has been developed that will be provided by the Section to present to a club volunteer of their choosing. The award will be available from Skate Canada: Alberta – NWT/ Nunavut to all Section clubs and the award will be in the form of a lapel pin for the recipient as well as a certificate for the club to keep. This award is intended to be presented at the club awards celebration and the Section will further recognize the recipients by developing an annual honor roll that will become a part of the traveling Skate Canada: Alberta – NWT/ Nunavut promotional display.

In keeping with the intent of this new award, it was only fitting that it be named after Marilyn Chidlow.

Marilyn Chidlow is a Ponoka native who has been involved in every level of skating volunteerism from the local club level through the National Board level as the Skate Canada President from 2000 to 2006. Marilyn's heart has always been with grassroots skating as demonstrated by her commitment to the development of the CanSkate Program while she was the National Recreational Skating Chair. Skate Canada: Alberta – NWT/ Nunavut has been the beneficiary of Marilyn's talent and commitment for several decades and it is the Section's great honor to be able to name this new award after such a fine individual.

If you know of any volunteers who qualify, please complete the following information and submit to:

**Skate Canada: Alberta – NWT/ Nunavut
