**IMPORTANT COURSE REQUIREMENTS**

**NCCP Level 3 General Subjects:** All Coaches who have completed the NCCP ISPC Technical courses are invited to attend. This is a 2 day course covering general coaching topics. It is recommended that coaches have completed their NCCP Level 3 theory.

**NCCP Level 3 Technical:** All Coaches must complete a Level 3 Technical course in addition to the two day General Subject's course, to receive credit for the completion of the Level 3 technical component. Coaches have the opportunity to specialize in the discipline of their choice in Singles, Synchro, Dance or Pairs. Level 3 Coaches are evaluated following the technical course through the submission of one technical assignment. Completion of the assignment must be successful to receive credit for the course.

**NCCP Level 3 Practical:** Once a Coach has completed the Level 3 Theory, General Subjects and Level 3 Technical course (singles, synchro, Ice dancing, pairs) they must then complete the Level 3 Practical requirements in the corresponding discipline.
