

OFFICIALS DEVELOPMENT APPLICATION FORM

From time to time we receive requests from other Sections to send officials to competitions. These competitions provide development and training opportunities for judges. It gives judges a chance to judge skaters from other Sections and work with judges from other areas of Canada. It also assists judges in obtaining Referee reports at their present judging level as well as providing trial opportunities needed for promotions.

The steps and information required for consideration for out of province trial judging and training opportunities are listed below. Judges seeking promotions in Singles, Pairs, Dance and Synchro at the Novice level and higher are encouraged to apply. Please ensure that the form is filled out completely. Applicants will also be considered for invitation to competitions within the Alberta-NWT/Nunavut Section.

Please note: Dates and locations of competitions vary from year to year and are subject to final confirmation in June 2008.
